The Classroom Cleaning Day

Today is the Classroom Cleaning Day. My classmates and I help clean our own classroom from 10 o'clock to 11 o'clock in the morning.

First, Miss Chan tells us about the things we need for cleaning. For example, we need some towels, brooms and dusters. Then, Miss Chan divides us into six groups and we do different things. I sweep the floor. Ben wipes the desks. Susan cleans the board. Mike tidies up the bookshelves. We feel happy because we can help our school caretakers to do the cleaning.

Suddenly, a bee flies into our classroom. "Help!" we scream. We are very frightened and we do not move. We ask Miss Chan to open the windows and the door for us. Luckily, the bee flies away at last and we are safe.

I have a nice experience today because I clean the classroom with my classmates. We are happy with our neat and tidy classroom now!
