【 Adjectives and nouns 】

We form nouns from some adjectives by adding a suffix to the end of the adjectives.

~ness	sad -- sadness dark -- darkness
--------------	------------------------------------

~th	true -- truth wide -- width
------------	--------------------------------

~y	beautiful -- beauty safe -- safety
-----------	---------------------------------------

We sometimes change the letters at the end of the adjectives.

~ce	convenient -- convenience important -- importance
------------	--

~ion	attractive -- attraction protective -- protection
-------------	--
