A story -

About my picnic on Saturday

I go on a picnic with my mum and sister, Lily, on Saturday. We go to Sunny Park on foot. The weather is sunny.

I can see a sandpit, a slide, some trees and some flowers. I play football and build a sandcastle there. Also, Mum eats some food. I feel so happy.

Suddenly, I hit Lily when I play football. Lily cries loudly and she is in pain. Mum and I are worried.

I say sorry to Lily. I feel unhappy in the end because I hurt Lily.
