## A Diary -The School Open Day

8<sup>th</sup> April, 2021

sunny and warm

Today was the school open day. I went to school with my friend, Toy, by bus. When I was going to school, I was excited because I would play lots of booth games.

In the school playground, I saw a large stage and many stalls in the playground. There were some rainbows and colourful balloons as decorations. Then, I heard the gun shooting.

First, we played a shooting game. I shot three cups and Toy shot four. Then we played fishing games. I fished a fish with the letter 'I' and I read and spelt a long word 'interesting'. Next, we played a throwing game; I hit eight balls in ten shots. The helper said 'Excellent! You got the highest mark. You may get the big prize there.'

At the price counter in the hall, I chose a pencil case. Mr Lau said 'Congratulations' to me. I was happy.

Suddenly, a strange boy grabbed my pencil case from my hands because he wanted to get the big prize, but I got it. I felt frightened.

Mr Lau stopped the boy running at once and got the pencil case back. I thanked Mr Lau for his help. I was thankful that I got my thing back in the end.

I will take care of my belongings from here on.
